

Science Team Challenge-2009

"Exploring the world God has placed us in!"

FINAL INSTRUCTIONS/TIMELINE

Checklist of Completion:

- ❑ All information sheets have been seen, read and signed by my parents.
- ❑ I have viewed the forms online (all information sheets online: stpaulsfirst.org, link: "School")
- ❑ Teams have been formed for all students.
- ❑ Teams have chosen STC name.
- ❑ Teams have chosen an STC event to study.
- ❑ Teams have chosen a **TOPIC** to explore for their desktop display.
- ❑ Teams have divided the work between their teammates. ("TEAM COMMITMENT FORM")
- ❑ Teammates have met with each other and have done some computer research, prior to the weekend, to narrow their ideas for the topic they have chosen.

"Desktop Display" Guidelines:

- ❑ Each member of the team, who has committed to 1) STC Event Science Topic 2) Early Discovery of STC Topic 3) The Science of Today, will have a display area of 24" in height and 14" in width to display their information.
- ❑ A report will include a proper title, a well-written description, pictures and/or diagrams to help teach the topic. A student is limited only by the amount of space for the information to be displayed. If more space is needed, please see Mr. Mindock to make arrangements.
- ❑ All sources must be revealed.
- ❑ Students who are committed to a "Teaching Model" will design a teaching model that clearly demonstrates the science topic that the team has chosen. The model should have a diagram and text to further explain the topic.
