

Science Team Challenge-2009

"Exploring the world God has placed us in!"

"STC" FAMILY SCIENCE EVENING,

Friday, March 20th

6:30pm-8:30pm

Synopsis of "STC" FAMILY SCIENCE EVENING:

"Students, in grades 6-8, will be leaders and teachers as our guests come to explore the world God has placed them in.

6:30pm: Gym Doors will be open for viewing the "Desk-Top Displays".

7:00pm: "Let's Begin With God's Word":

-Devotion: "Exploring the World God has Placed Us In"

7:15pm: Welcome by the 8th Grade/Awards from "STC Challenge"

7:35pm: "Let's Explore!"

8:30pm: "Let's Go Home!"

Grade Level Responsibilities: ("Let's Explore!", 7:35pm-8:30pm)

1) "Desk-top Displays"

-Student teams will be located at their displays and share with the guests as they view the displays.

2) "Show and Tell Cell"

-Selected 7th grade students will show and tell about their cell.

3) "Science Store"

-Selected 7th grade students will operate the science store under teacher supervision.

4) "STC" EVENTS FOR ALL!

-8th Grade Students will sponsor certain STC events for all to participate in.

-8th Grade Students will also lead a "Welcome" to the guests.
